Having Trouble Selling Your Home?

Dear Home Seller,

Are you tired of living in limbo... waiting until you sell your house?
Are you stick of looking at that "For Sale" sign?

Then you've come to the right place! *Home Seller's Blues and How To Beat Them* is the first book ever to **cheer on and cheer up home sellers in today's tough housing market**. You'll find the home selling advice you need to sell your house faster -- and also overcome the anxiety, frustration and uncertainty that many home sellers are facing right now.

Home Seller's Blues And How To Beat Them - A Book for Home Sellers and Realtors!

My name is Joan Gale Frank and I was a frustrated home seller myself. I got so tired of waiting for a buyer that I went out looking for answers...

I spent months and months gathering home selling advice from experts -- highly paid home stagers, landscape artists, top real estate brokers, marketing whizzes, psychologists and more -- who shared their secrets with me on **how to sell my house faster than other homes in the area.**
